THE UNIVERSITY WANTS TO HEAR FROM ITS DISABLED EMPLOYEES

The Disabled Staff Network (DSN) is open to all staff who identify with the legal definition of disability: a physical or mental impairment that has a substantial and long-term adverse effect on an individual's ability to carry out normal day-to-day activities.

The DSN provides opportunities for members to network with colleagues, raise issues in a safe environment, contribute to the development of University policy and organise events.

To join the network's mailing list please visit <https://lists.cam.ac.uk/mailman/listinfo/soc-distanet> or email equality@admin.cam.ac.uk
